Dear Taywood Families,

Have a lovely weekend,

## Reminders

### Orchard Families

**We are unable to store your prams in our corridors, as they are fire exits. Please speak with Louanna if this is a problem.**

# Our Learning

## Seedlings

Our Seedlings children have been exploring mud outdoors and looking for minibeasts. The minibeast small world area was enjoyed by all, especially our boys.

## Orchard

In Orchard, the children have been exploring vehicles in the paint, looking at the different patterns the wheels make on paper. They have also been learning about brushing their teeth as part of keeping ourselves healthy.

## Willow

Our Willow children have been using clay this week, learning how to add water, mould and shape it. They have also enjoyed ice cream as a treat for filling up their treasure jar- a great achievement for working as a team!

# Nursery Messages

## Sport Sessions

Orchard and Willow children will have sports sessions on a Wednesday morning, delivered by Lucie from Burnley College. Please send your child in appropriate clothing for indoor or outdoor sports. We continue to welcome your £2 donation, which helps towards funding these sessions. Thank you.

## Willow Walk

Thank you to those parents who have offered to help out with our Willow walk on Tuesday 30th January. This can now take place- your help is really appreciated. Victoria will speak with you directly to arrange times.

Please can all Willow children wear a winter coat with a hood, a hat and gloves and suitable shoes for walking on Tuesday.

## Friends of Taywood

We had a few parents who were interested in being part of Friends of Taywood. This is to help fundraise so that we can purchase outdoor equipment. If you are able to spare a little time on Wednesday at 12:30pm, we would love you to come along. Please email [head@taywood.lancs.sch.uk](mailto:head@taywood.lancs.sch.uk) if you are able to attend.
