2nd February 2024

Message from the Headteacher

Dear Taywood Families,

Thank you to all of our parent and family helpers who volunteered to walk with our Willow children on Tuesday. The children enjoyed getting out into the community, but it was a little further than they thought!

World Book Day- 7th March

Save the date for World Book Day. We will enjoy different activities throughout the day to celebrate our love of stories and non-fiction books. The children can come in their pyjamas and we will share hot chocolate and stories together.

Have a lovely weekend,

Kind regards,

Mrs Slater

Headteacher head@taywood.lancs.sch.uk

Upcoming Dates

February

School closes on Friday
9th February at 3:15 and
opens on Monday 19th
February at 8:45am

March

7th March- World Book
Day

Extended Services

Claire is our Extended Services Co-Ordinator and can be contacted at c.farr@taywood.lancs.sch.uk

Our Holiday Club is open during half-term. Please let Claire know if you are taking your usual place by Wednesday 7th February.

Reminders

We do not currently have a uniform policy for children, but please ensure your child is wearing suitable clothing for outdoor, physical activity.

Our Learning

Seedlings

Our older Seedlings children have been exploring blocks and learning about stacking objects. It is lovely to see some friendships forming too, as they work together to make towers. They also enjoyed getting outdoors and exploring the wheeled toys.

Orchard

This week, Orchard children have been filling and emptying in the sand and water, using language of 'full' and 'empty'. In the construction area, they have been using the blocks to make their towers and structures.

Willow

This week in Willow, the children have been pretending to be hairdressers. They have been trying on wigs and styling the adults' hair. They have also been reading The Three Billy Goat's Gruff and have been retelling it in their group time.

Nursery Messages

£2 Snack Donations

Nursery schools are not provided with fruit for snacks from Lancashire County Council. We rely on your weekly £2 contributions to help to fund our snack time, which includes fruit and another item such as toast. The children really enjoy variety at snack time, which is needed after a busy morning or afternoon of learning. You can send your £2 on a weekly basis, or £12 per half-term. Many thanks for your contributions to the school office.

Orchard Home Time

From Monday, children will be brought out to you at the gate, rather than parents coming into the room. Some of our all day children are getting upset when they see parents coming into the room and it can get quite busy at hand-over time.

Friends of Taywood

We had a few parents who were interested in being part of Friends of Taywood. This is to help fundraise so that we can purchase outdoor equipment. If you are able to spare a little time on Wednesday at 12:30pm, we would love you to come along. Please email head@taywood.lancs.sch.uk if you are able to attend.
